Jennifer Walters was a shy attorney, good at her job and quiet in her life, when she was gunned down by criminals. A gamma-irradiated blood transfusion from her cousin, Dr. Bruce Banner, A.K.A. the Incredible Hulk, didn't just give her a second chance at life, but also super-strength and bulletproof green skin--and unbelievably gorgeous hair. She is the Sensational...

She- HULK

Previously...

Things are looking up for Jennifer Walters, A.K.A. She-Hulk. She has a steady job, superb friends, and a caring boyfriend--Jonathan Hart, A.K.A. Jack of Hearts. The only catch? Jack has the powers of a nuclear reactor, and he could be a danger to Jen if he touches her. Back when they were on the Avengers together, Jack accidentally drained and destabilized Jen's gamma radiation. They started dating at a time when Jack was without his powers, but now that he's unexpectedly regained them, Jen and Jack are on rocky footing as they figure out how to navigate their relationship... Good thing Jen started a fight club with Titania where she can blow off steam!

SHE-HULK IN "GIRL CAN'T HELP IT"

**JENNIFER WALTERS,
SHE-HULK.**
Founder of Fight Club.

**MARY MACPHERAN,
TITANIA.**
Inaugural member.

Let's
do this,
Walters.

STARRING:

SHE-HULK

TITANIA

THE THING

VOLCANA

JACK OF HEARTS

MYSTERY GUEST

MARSHA ROSENBERG, VOLCANA.
In basalt form. Just happy to be here.

You wouldn't.

I definitely would.

LUKE CAGE and DANNY RAND.
The peanut gallery.

Surely that's against the rules.

I don't see a problem with bringing a rock to a rock fight.

SOMEBODY TAG ME IN!

There's no tagging!

And I'm not fighting the mayor!

Who invited the mayor, anyway?

HA HA HA HA!

Oh, no,
I just...

Well, I
don't wear
it all day.

There
you go,
see?

beep

Stable.

No change in my
gamma radiation--
no change in the last
three months.

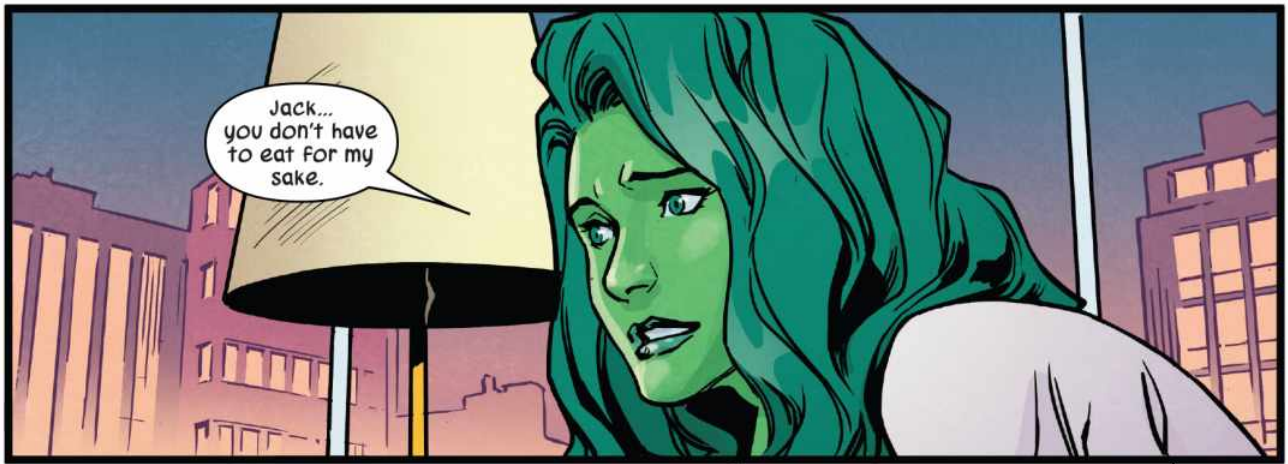

Meet you out
there. I've got to
check on the
garlic bread.

Yum.
Garlic
bread.

**LATER THAT NIGHT, AT A
SECRET GOVERNMENT LABORATORY.
TOO SECRET TO TELL YOU ABOUT.**

Thanks
again for
helping out,
Jen.

**SUE STORM,
INVISIBLE WOMAN.**
Fantastic Four matriarch
and one of Jen's dearest
friends.

You know
me, always
happy to
help.

Ben says
you're seeing
someone...

Terrible
gossips, all four
of you.

What else
are we supposed to
do when we're stuck
in the Negative
Zone?

You know we
all just want
you to be
happy.

I'd always hoped
it would work out
with Wyatt...

Bring your new flame by
some night. I'll cook. And Reed
has invented this board
game...

What kind
of board
game?

I've never
actually made it
through the rules.
I just roll the dice
and hope for
the best.

I'll think
about it, Sue.
I promise.

Now tell me what
we're dealing
with.

Oh god,
probably
raccoons.

The alarm
has been tripped
the last two
nights.

There's no
real reason to worry,
but this is a high-risk
lab, so protocol calls
for the highest-level
response.

Can I help you?

Nope. I've got it.

Okay, mister. I'm going to need you against the wall with your hands in the air. Pronto.

I sincerely wish I had time for that, but I promised myself I'd get in and get out, you know?

Hey.

She-Hulk. Are you going to make this difficult?

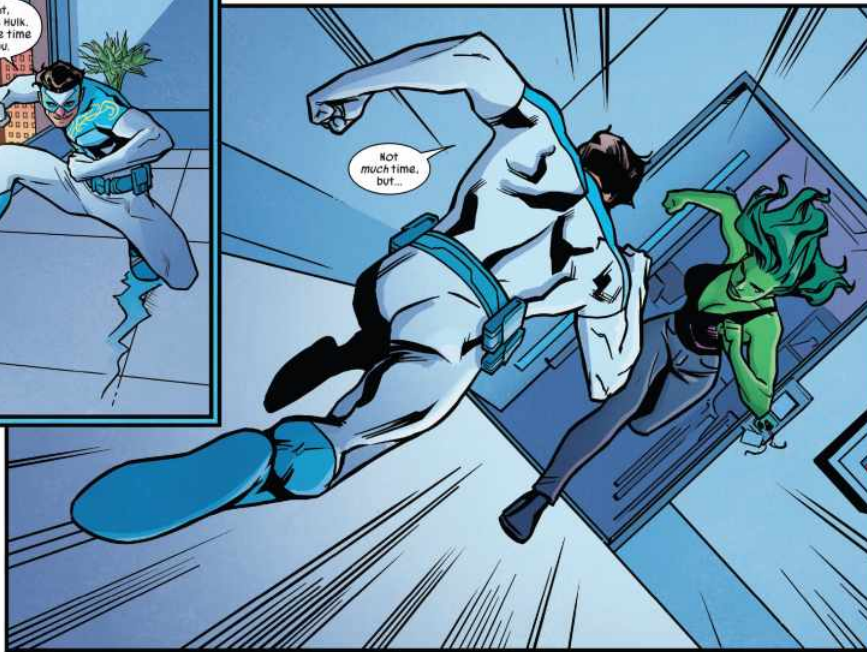

For you? Very. For me? Not so much.

Last chance, pal.
